Dear Guest,

The club you are participating with is a member of the Federation of Mountain Clubs of BC (FMCBC) and participates in the FMCBC's Commercial General Liability (CGL) Third Party Insurance Policy. The FMCBC's policy is extensive and covers all types of non-motorized backcountry recreation in which its member clubs participate. The FMCBC's policy will protect not only the club, its volunteers and trip leaders, but also the individual participants in the case of a claim coming against them for damages done to a person(s) and/or property. A condition of this group policy is that all participating clubs are required by the Insurer to collect \$6.00 from each guest (non-member) participant in order that ALL participants have coverage under this policy when participating in FMCBC Member Club sanctioned trips.

Please fill in the form below which will be used by the club named below and the FMCBC for record keeping purposes only. Your information will not be used for any marketing communication and will not be shared with any other parties. This coverage is valid until April 30<sup>th</sup> next year.

Thank you,

Jodi Appleton  
 Administrative Manager  
 FMCBC
